- **Weight & Dimensions:**
 - 24 cm: 29 x 13 x 2 cm, Weight: 0.057 kg
 - 28 cm: 34 x 14 x 2 cm, Weight: 0.067 kg
 - 32 cm: 39 x 16 x 2 cm, Weight: 0.077 kg
 - 36 cm: 42 x 19 x 2 cm, Weight: 0.096 kg
 - 38 cm: 46 x 20 x 2 cm, Weight: 0.105 kg
 - 40 cm: 49 x 21 x 2 cm, Weight: 0.114 kg
 - 42 cm: 51 x 22 x 2 cm, Weight: 0.122 kg
 - 44 cm: 54 x 23 x 2 cm, Weight: 0.132 kg
 - 48 cm: 58.5 x 25 x 2 cm, Weight: 0.144 kg
 - 52 cm: 63 x 27 x 2 cm, Weight: 0.180 kg
 - 56 cm: 68 x 29 x 2 cm, Weight: 0.215 kg
 - 60 cm: 72 x 31 x 2 cm, Weight: 0.230 kg
 - 65 cm: 78 x 33 x 2 cm, Weight: 0.280 kg
 - 70 cm: 83 x 36 x 2 cm, Weight: 0.300 kg
- **Packaging Type:** Size 24-44 cm: box (42 x 26 x 20 cm) & Size 48-70 cm (45 x 35 x 20 cm)

3. IDENTIFICATION OF POTENTIAL HAZARDS

Hazard	Description	Examples of Risk Situations
Toxic Material	May contain hazardous substances	Ingestion risk from chewing
Fragmentation	Material may break under extreme use	Choking or ingestion hazard from chewing
Inappropriate Size	Incorrect size may cause discomfort or choking	Dog struggling to move or trouble breathing
Misuse	Used incorrectly, it may cause discomfort or injury	Owner fitting coat too tightly
Fire	Can melt and release harmful fumes when burned	Coat catches fire, which may release toxic fumes

4. RISK ASSESSMENT (Evaluation Matrix)

Hazard	Probability	Impact	Comments
Toxic Material	Low	Medium	Use of certified safe materials used
Fragmentation	Low	High	Use of high-quality stitching and materials reduce this risk
Inappropriate Size	Medium	High	Clear proper sizing guide is available
Misuse	Low	High	Clear user instructions mitigate risk
Fire	Low	High	Avoid contact with combustible materials or fire

5. MITIGATION MEASURES

5.1 Safe material

Safe material certifications (non-toxic) from the raw material supplier (comply with the REACH (EC) No. 1907/2006 (Chemical Safety)).

5.2 Strong and functional design

For ultimate durability, this dog coat is designed to withstand active movement and rough play, ensuring long-lasting wear without tearing or fraying. Available in specific sizes tailored for small, medium, and large breeds, with clear labeling to ensure the perfect fit for every dog.

5.3 Labelling and clear information

- Size is clearly indicated on the product tag & size chart on our website: <https://www.51degreesnorth.be/faq-category/product>
- Care instructions and safety warnings included on the care label sewn on the product
 - Only for canine use; not suitable for other pets or children
 - Ensure correct sizing for comfort and safety
 - Supervision recommended when in use
 - Machine washable at 30°C, do not tumble dry

5.4 Compliance testing

Conducted testing on dogs under real-life conditions before launching the final designs to ensure product durability.

5.5 Risk monitoring and management

Each product is assigned a combination of EAN & lot number, allowing its origin to be identified and tracked throughout the production and logistics process to identify defective products if occurred.

5.6 Usage tips

- Use the size guide to ensure proper fit
- We recommend to always fit the product before purchase
- Regularly check coat condition for wear and tear
- Supervise first-time use to ensure correct adjustment
- Keep away from sharp objects that could damage the material
- Always wear under supervision

6. TRANSPORT & STORAGE REQUIREMENTS

- **Storage Conditions:** store in a dry, cool place away from direct sunlight
- **Shelf Life:** no expiration if stored correctly
- **Packaging Requirements for Transport:** transported in bulk cardboard box with inner plastic bag to protect from moisture

7. MANUFACTURING & TRACEABILITY INFORMATION

51 Degrees North products are highly traceable due to the implementation of a rigorous traceability management system throughout its production chain. Each product is assigned a combination of EAN & lot number, allowing its origin to be identified and tracked throughout the production and logistics process. Additionally, 51 Degrees North applies strict FIFO (First In, First Out) inventory management in its warehouses, ensuring efficient stock control from manufacturing to distribution.

All 51 Degrees North products are marked with the company's branding, clearly and legibly printed on the product to ensure identification, even in heavy-use environments. The brand also provides easily accessible customer service channels for any inquiries or support related to the product, ensuring direct communication with customers and distributors.

- **Manufacturing Country:** China
- **Production Batch Number:** Clearly marked on each individual product and on the product hang tag
- **Manufacturing Date:** Mentioned on shipping marks on bulk cardboard boxes

8. CONTACT & CUSTOMER SERVICE
